# OR-TEC PRODUCT LINE:

## Belt Press Systems

Mk II 500, 1000, 1500 (Mono Belt)  
x-press 500, 1000, 1500 (Compact Double Belt)  
HP 1000, 1500 (Enclosed System)  
GEMINI 800, 1200, 1700, 2200  
(Double belt systems)

## Screening Systems

Rotary Brush Screens  
In Channel Screens  
In Tank Screen  
Grit Classifiers  
Headworks Systems  
Compactors  
Septage Receiving

## Flotation Systems

HF 1 (2 gpm) to HF 150 (660 gpm)

## Chemical Dosing Systems

Liquid Polymer Feed  
Auto polymer preparation in  
day tanks  
Explosion Proof applications

## Conveying Systems

Screw Augers  
Progressive Cavity Pumps

## Chemicals

Polymer

## On-Site Service

**AVAILABLE ALL  
STAINLESS STEEL**
