wastewater treatment equipment™*

## **BIOLOGICAL SLUDGE SHIPPING**

You will need the following:

- Cooler
- Ice packs
- Packing material
- One gallon sludge container

Please follow these instructions:

- Freeze ice packs
- Fill sludge container 2/3 full with a representative sample of sludge (It is important to ensure sample is representative of the material you wish to dewater)
- Tape screw lid of sludge container shut
- Pack sludge container with ice packs in cooler
- Sign this form and include with sample
- Use packing and tape to secure cooler in cardboard box
- Tape box shut
- **Please ship sample OVERNIGHT** to address below. (Do not ship samples on Thursday or Friday in case of delays in the shipping)

OR-TEC, INC.  
14500 Industrial Ave. South  
Maple Heights, OH 44137  
Attn: Quality Control Room

If you have any questions please call 216-475-5225

This shipping method is not suitable for hazardous substances or substances containing hazardous chemicals as defined by 49 CFR 100-177 and 178-199. By signing I certify this sample does not contain these substances
